Waring House Wedding Packages

The Waring House is one of Eastern Ontario's most exciting venues for country weddings. Our beautiful gardens, quality food, and outstanding service make us a favourite destination for 'to be weds' who want to enjoy their day and not stress over the details. We don't believe in one-size-fits-all solutions. We see every couple as unique, with their own preferences, expectations and budgets, so we work with you to create a custom wedding package that meets your needs.

We know that planning your wedding can be a daunting task, so we provide the services of an experienced wedding coordinator free of charge with every wedding booked at The Waring House. Our coordinator is happy to make recommendations about vendors, but, of course, you're free to make your own arrangements.

Our gardens are a source of pride, and it shows. Hold your ceremony at the gazebo and experience your special time in one of the most serene and beautiful places in all of Prince Edward County. Following your ceremony, your guests are free to mingle in the gardens and, if you should choose, enjoy cocktails and hors d'oeuvres, while you have your photos taken. Virtually all our guests elect to do their photos right in the garden, which allows you to spend more time making memories and less time traveling.

Waring Hall, our large events venue, is a superb place for weddings with groups up to 175. The hall's large veranda overlooks the gardens, allowing guests to mingle in the hall or gardens following the ceremony. In the event of inclement weather, the hall can also function as an alternate venue for your ceremony.

Sometimes less is more. The Prince Edward Room is a private dining room located in our main house, that can accommodate parties with up to 36 diners. It's an intimate setting for a small wedding, a rehearsal dinner or a morning-after brunch. The room features a fireplace and stately décor. The tables can be set up in various configurations and with different coloured linens to meet your needs.

All of our wedding packages include:

Waring Hall or Gazebo garden ceremony with white chairs and signing table
Hall set up and clean up by our staff
White chair covers, white table linens and white cloth napkins
Full table set up with flatware and glassware
Access to gardens and property for photography
